

PORTLAND MEDICAL CENTRE COMMENTS FORM

If you have any comments to make about your experience at the Practice today, please let us know here.

Many thanks for your time. Please place this form into the Suggestions Box on the Reception desk. Please note you will not receive a response from the Practice to your comments, which are entirely anonymous, but they will be passed on.

*If you wish to make a **formal complaint** please ask the receptionist to give you the paperwork to complete to go through our normal Complaints Procedure.*
